NOVEMBER SNOW FALLS IN HAMPSHIRE!

SNOWY HAMPSHIRE A WINTER WONDERLAND IN DECEMBER

The past month brought a winter wonderland to Hampshire, as snow blanketed the area. The snowstorm created picturesque scenes across the county, turning familiar landscapes into stunning displays of winter beauty. While the cold weather posed challenges for travel and daily routines, it also offered opportunities for cosy moments indoors and festive snow activities outside. At Right at Home Mid Hampshire, we ensured our clients remained warm, safe, and cared for during the cold spell.

THE RECENT AUTUMN BUDGET BROUGHT SOME KEY UPDATES

The State Pension is set to increase by 4.1% in April 2025, offering additional financial support amidst rising living costs. Significant NHS investment of £22.6 billion aims to reduce wait times and improve healthcare access, a promising development for clients with regular medical needs. Energy bill support and a freeze on fuel duty will also help alleviate winter expenses, though ongoing inflation continues to challenge household budgets.
