At Right at Home, we aim to make a genuine difference to the quality of life of those we serve in the local community. We focus on improving the lives of those we care for, not just maintaining quality of life.

From every CareGiver to our local Management Team, we are completely focused on making a difference every day. Keeping our Clients where they want to be for longer – Right at Home.

Our local office teams based in Nantwich, Sandbach and Northwich work tirelessly to deliver on our promises. For us it is not just about providing a service, it is about building valuable relationships with everyone we work with.

Our Trusted Services

Through trust and commitment to being the best, the quality of the care we provide has been industry-recognised, leading us to be rated as Outstanding by the Care Quality Commission and become the most highly rated national homecare agency on the UK's leading review site, www.homecare.co.uk.

End of an era... Good Luck Kirsty!

After 6 years with Right at Home, our Registered Manager at Sandbach called time on her employment with the company to take pursue a new challenge in her career.

Kirsty was the first employee when we opened our doors 6 years ago and during that time she has grown as a care professional, and helped the company grow the business from a Small Office in Crewe to a 3,

Office operation covering a large proportion of Cheshire, now employing over 100 CareGivers and supporting around 120 Clients.

Our MD, Ben Selby said; "Kirsty has been instrumental in delivering my vision of changing the standards of Home Care in our local communities.

I would like to extend a personal thank you to Kirsty for all of the fantastic work, and I'm really proud to have seen her grow in confidence and ability as a Manager these last few years. I sincerely wish Kirsty all the very best for the future and in her new role."

MID-CHESHIRE OFFICE UPDATE

ELF DAY 2022

Right at Home Mid Cheshire took part in "Elf Day", to the delight of our clients, the office team and Caregivers dressed for work as elves or in Christmas jumpers, there were amazing cakes to buy and sample, plus some fun games to participate in.

We had a great day and raised £105 for Alzheimer's Society – Well done everybody that took part.

A BIG THANK YOU!

Leading up to Christmas we had some terrible snowy weather to contend with in the Northwich area with some roads being closed off. A huge "Thank you" to all our wonderful, kind, caring team.

While many of us admired the beautiful views of the snow on the ground, our CareGivers braved the gridlocked roads and icy pathways to reach our clients and provide the support and comfort they needed.

CHRISTMAS GET TOGETHER

It wouldn't be Christmas without a team get together! Some of the Right at Home Mid Cheshire care team enjoyed an end of year celebration, we had a great time, lots of food, fun & laughter with just a few little drinks along the way.

It was fantastic to have the team together, so that we could bond, and unwind, with no stress.

This year we supported **Construction Linx Ltd** with their Secret Hamper campaign helping the foodbank in Nantwich to collect food donations from our staff team to give to local families who are struggling this Christmas.

We would like to thank **Construction Linx Ltd** for giving us the opportunity to help out, and we would also like to thank all of our staff for their donations. They will be greatly appreciated.

Work Experience with Right at Home

For one week in December, Tatjana came to the Nantwich office for work experience. She shadowed the office team to learn each of their roles and how each department needs to work in sync with the others to keep the cogs ticking!

We would like to thank Tatjana for being extremely hands on around the office, and helping us with wrapping our clients Christmas presents ready to go out in time for the big day.
