With the NHS under increasing pressure, Right at Home Chippenham is proud to offer an alternative solution to support our amazing community. Our Clinical Care Service is designed to complement community nursing, ensuring that when you're unwell, you can receive the care you need—right in the comfort of your own home.

### Why Choose Clinical Care at Home?

There's no place like home when it comes to recovery and managing health. Whether you're returning from a hospital stay or avoiding the need for supported accommodation, our tailored

services provide professional, compassionate care to meet more complex needs.

We work with you to create a personalised care plan that reduces anxiety and provides peace of mind for you and your loved ones.

### Equipping Our Team to Deliver Excellence

With these enhanced skills, our team is ready to deliver exceptional, compassionate care that allows Clients to remain independent, safe, and comfortable at home, supported by a trusted, familiar face.

**Let Right at Home Chippenham be your partner in clinical care**, providing a reliable alternative to overstretched services and helping you or your loved ones stay well at home.

## COMMUNITY INVOLVEMENT

### Inspiring Careers, Amazing Conversations!

We had an incredible time at the **Wiltshire Council Career Fair** on 23<sup>rd</sup> January at County Hall, Trowbridge!

Our Recruitment Coordinator, Moses Lam, and Deputy Service Manager, Amy Purps, were there to connect with visitors. Amy shared her inspiring career progression journey with visitors, showcasing how a role in the care industry can lead to growth, success, and fulfilment. Her story was both encouraging and empowering!

The atmosphere was buzzing with energy as we connected with so many wonderful people, shared insights, and had great chats about what makes a career in care truly rewarding.

A huge thank you to everyone who stopped by our stand – it was a pleasure meeting you all!

**Let's keep the conversations going and inspire even more people to join this meaningful industry.**

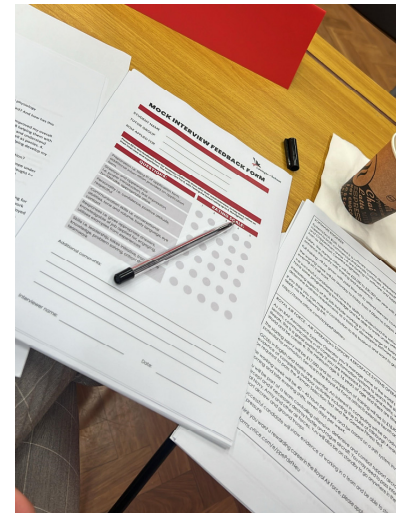

### Supporting Future Careers:

#### Mock Interviews with Year 11 Students

On 28<sup>th</sup> January, our Recruitment Coordinator, Moses had the pleasure of joining **Lavington School** in Devizes for their Mock Interview Day. This initiative provides Year 11 students, who are gearing up for their post-16 future, with hands-on interview practice — an invaluable experience as they embark on their career paths.

Moses was impressed by the students' enthusiasm, preparation, and readiness to take on the challenges ahead. To all the Year 11s: keep honing those skills, stay confident, and remember that each step brings you closer to your goals. You've got a bright future ahead!
