“ Right at Home have been very helpful and quick to adapt to the need of a family member. Despite caring for my aunt for nearly 18 months for companionship and home assistance, they have been very responsive and caring with recent needs to be able to provide the same carer to spend all day with my aunt. This has allowed her to stay at home and improve her mood and also health. This has given us such peace of mind and reassurance. ”

-- J F (Nephew of Client)

“ My mother-in-law has built a good rapport with all the ladies who care for her. The management team have been extremely supportive and flexible and I have complete confidence that she is being well cared for with dignity and respect. ”

COMMUNITY INVOLVEMENT

On 30th July, we hosted a promotional counter at **Emery Gate Shopping Centre**. It was a great opportunity to connect with visitors, discuss home care options for their loved ones, and share information about the flexible career opportunities available in our community. Thank you to everyone who stopped by!

We had an incredible turnout with over 400 attendees at the **"Summer at the Base" event**, organised by **Wiltshire Air Ambulance** on 9th August. The feedback was overwhelmingly positive, and we're thrilled to share that our lucky dips raised over £120 for the cause!

Thank you to everyone who participated and supported this wonderful event.
