

Winter is Coming: Time to Ensure Your Loved Ones are Safe and Cared For

As the days grow shorter and the weather turns colder, many of us seek the warmth and comfort of home. Winter brings a natural shift, and with darker evenings and chillier mornings, it's a time when people feel the need for company, care, and support more than ever. For many families, this season can also highlight the importance of ensuring that elderly or vulnerable family members are safe, comfortable, and well looked after in their familiar home environment. However, it can also become overwhelming to manage on your own, especially during the busier months. This is where

COMMUNITY INVOLVEMENT

We're proud to support our CareGiver, Hannah Reseigh-Lincoln, as she joins in **Wear It Pink**, an event organised by **Breast Cancer Now**. This initiative aims to raise funds for life-saving breast cancer research and provide essential support to those affected by the disease.

On 18th October and the following week, we're all wearing pink to show our solidarity and help make a difference. Together, we can support the fight against breast cancer and work towards a future where everyone diagnosed is given the best chance to live well. ❤️

Hannah shared, "One of my best friends was diagnosed with breast cancer, and that made me realise how important it is to raise awareness. That's why I join the Wear It Pink event—to help spread the word and support the cause." ❤️ A huge **thank you to everyone** who participated in our 'Buy a Number' game and supported us! We had lots of fun, and we're excited to announce that we've got our lucky winner! 🏆

OUR PEOPLE CORNER

We are pleased to welcome some of the new faces into the team.

Moses joins us as our Recruitment Coordinator, playing a key role in bringing the right people into our team.

Please join us congratulating Chrispen his recent promotion to Senior CareGiver - a testament to his hard work and dedication.

Liz has joined our care coordinator team, providing valuable support to help our team continue to grow.

Recently, we welcomed Jodie, Kelly, Adebisi and Natasha (from left to right) to our growing team. It's our core value to ensure all caregivers are fully equipped and trained before starting their service in the community, with support from our office team. They have completed

comprehensive 3-day training. Some of them have finished the shadowing and are READY!

If you'd like to change or cancel your visits during Christmas, please give us 2 weeks' notice. This allows us to do our best to meet your needs while also coordinating with our CareGivers' holiday leave.
